

ANAHEIM UNION HIGH SCHOOL DISTRICT

**LEARNING WITH PURPOSE
COLLEGE AND CAREER READY**

At a Glance ...

While the Anaheim Union High School District is centered in the city of Anaheim, it stretches across 46 square miles and draws students from 55 feeder elementary schools in the cities of Anaheim, Cypress, La Palma, Buena Park, and Stanton. The combined population of these five communities totals approximately half a million people.

Tourism and entertainment are the dominant industries in the greater Anaheim area, featuring Disneyland, Knott's Berry Farm, the Los Angeles Angels of Anaheim baseball team, the Anaheim Ducks hockey team, and the largest meeting facility on the West Coast, the Anaheim Convention Center. Large manufacturing and service companies are major employers in the region, including ADP, Pacific Sunwear, United Healthcare, Mitsubishi Motors, Yamaha, and Georgia-Pacific. Community businesses and civic organizations provide great support for our students.

We are fully committed to meeting the educational challenges of the 21st Century and graduating students who are college and career ready. Our positive educational climate encourages academic excellence for all students with programs serving college-bound, career technical, special needs, gifted, alternative, and limited English proficient students.

Our Mission: The Anaheim Union High School District, a partnership of students, parents, staff, and community, will

provide each student with a high quality educational program in a safe, nurturing environment that promotes:

- High academic expectations for all students and employees
- 21st Century learning skills for students to act as problem solvers and critical thinkers
- Readiness for post-secondary education, career options, and civic and social responsibility

Here are some program highlights:

- Advancement Via Individual Determination (AVID) classes provide college-going support to students who are academically in the middle
- Rigorous International Baccalaureate diploma program
- Full complement of GATE, Advanced Placement, and honors classes
- State Seal of Biliteracy honors graduates who have mastered two languages
- 21 Career Technical Education pathways in 12 industries leading to meaningful post-secondary options
- Strong leadership, conflict mediation, and anti-bullying programs
- Full complement of California Interscholastic Federation competition at senior high level; 16 girls' and boys' intramural sports programs
- Anaheim Union High School District Foundation supports academic programs and services, the visual and performing arts, and athletic and intramural programs and activities
