- III. Adoption of Agenda Committee
The committee approves the agenda. It has the prerogative of removing items if it so desires.

- IV. Public Comment
Members of the public may address any item or issue not appearing on the agenda; however, action may not be taken on an item that is not on the agenda and the speaker should limit remarks to three (3) minutes. Open meeting laws and fairness to other residents who may have an interest in your topic prohibit the committee from taking action. The committee may direct staff to meet at a later date with speakers who have specific concerns or needs. The committee may also direct that an issue be placed on a future agenda for discussion or consideration. Members of the public may also address items appearing on the agenda at the time that a specific item is under discussion. The speaker should limit remarks to three (3) minutes. A speaker's sheet should be completed and delivered to the recording secretary prior to addressing the committee. There is a twenty (20) minute maximum for public discussion on each agenda item. We appreciate your cooperation.
